

Welcome to the world of management accounting, a profession where the opportunities are as open-ended as you want them to be.

By studying CIMA, you join a network of over 100,000 students worldwide helping business manage their finances.

Management Accountants are business leaders, innovators, decision makers and forecasters.

There's no one industry or role that they work in: you'll find management accountants in all kinds of companies - public and private, big and small.
